

ASSEMBLY BILL

No. 493

Introduced by Assembly Member Salinas

February 14, 2003

An act to amend Section 50650.3 of the Health and Safety Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

AB 493, as introduced, Salinas. CalHome Program.

The existing CalHome Program authorizes funds appropriated for purposes of the program to be used to enable low- and very low income households to become or remain homeowners.

Funds are provided by the Department of Housing and Community Development to local public agencies or nonprofit corporations for grants for programs that assist individual households or as loans that assist development projects involving multiple homeownership units, including single-family subdivisions. Grant funds may be used for first-time homebuyer downpayment assistance, home rehabilitation, homebuyer counseling, home acquisition and rehabilitation, or self-help mortgage assistance programs, or for technical assistance for self-help and shared housing homeownership. Loan funds may be used for purchase of real property, site development, predevelopment, and construction period expenses incurred on homeownership development projects, and permanent financing for mutual housing or cooperative developments.

This bill would authorize CalHome Program financial assistance to be provided as a conditional grant to an individual household to rehabilitate or repair manufactured housing in a mobilehome park that is not permanently affixed to a foundation.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
